

Venture Studio — Advisory Access Pass

Service Terms (Demo Document)

Offering Title

Venture Studio — Advisory Access Pass

Executive Summary

This pass grants access to venture studio advisory services including startup strategy sessions, tokenomics workshops, and investor pitch coaching.

Underlying Service Description

The venture studio provides structured advisory engagements, workshops, and coaching sessions for early-stage founders and project teams.

Issuer & Legal Structure

Services are provided by TEA Venture Studio under global service terms. The digital token represents a non-transferable service access credential.

Member Rights

Token holders receive:

- Access to defined advisory services
- Participation in scheduled workshops
- Access to pitch and fundraising coaching

Compliance & Eligibility

Acceptance of service terms required. No financial return or investment rights are granted.

Access Mechanics

Service access is verified through possession of the non-transferable digital pass.

Termination

Access concludes upon service delivery completion or termination of agreement.

Risk Factors

- Scheduling availability
- Service capacity constraints
