

Business Circle — Copenhagen Membership

Membership Terms (Demo Document)

Offering Title

Business Circle — Copenhagen Membership Pass

Executive Summary

This membership pass grants access to a curated executive and founder network in Copenhagen, including private events, curated deal-flow sessions, and advisory roundtables.

Underlying Service Description

The Business Circle operates a private network facilitating professional events, introductions, and knowledge-sharing sessions among founders and executives.

Issuer & Legal Structure

Membership services are provided by TEA Business Circle, operating under Danish jurisdiction. The membership token represents a digital access credential.

Member Rights

Token holders receive:

- Access to scheduled private events
- Participation in curated networking sessions
- Access to selected advisory roundtables

Compliance & Eligibility

Members must accept platform terms of service. No investment rights or financial returns are offered. Tokens are non-transferable.

Access Mechanics

Membership access is verified through possession of the non-transferable digital membership token.

Termination

Membership terminates upon expiration, voluntary withdrawal, or breach of terms.

Risk Factors

- Event scheduling availability
- Network participation variability
