

ISSURA INVESTOR ALLOCATION AGREEMENT

Nordic Innovation Pool

Version 1.0

Demo / Test Document

1. Purpose

This Investor Allocation Agreement describes the recorded participation of an investor in the Nordic Innovation Pool.

The pool is presented as a private-market investment structure focused on innovative companies and opportunities in the Nordic region.

This document is a demonstration document for the Issura platform and does not constitute a public offer, solicitation or commitment to accept an investment.

2. Investment Structure

Pool: Nordic Innovation Pool

Structure: Alternative Finance

Model: Bilateral SPV

Jurisdiction: Denmark

Indicative pool size: EUR 5,000,000

3. Investor Allocation

An investor may be allocated a participation in the pool based on an executed allocation agreement and the applicable records maintained by the pool administrator.

The recorded allocation may include:

- investor identity;
- allocated amount;
- participation percentage;
- allocation date;
- transaction history;
- recorded pool valuation; and
- supporting documentation.

4. Investor Participation

The investor's participation represents the economic participation recorded for the relevant allocation.

The Issura platform may maintain a corresponding investment record and investment certificate.

The certificate represents the recorded position and does not independently determine the legal validity or economic value of the underlying investment.

5. Documentation

Supporting documentation may include the applicable allocation agreement, pool documentation, transaction records and other documents relating to the investment.

Documents registered with Issura may be associated with an integrity reference or document hash.

Such a reference is intended to allow verification that the document presented has not changed from the version originally registered.

6. Valuation

The value displayed for an investor position is based on the latest recorded valuation information available for the relevant investment structure.

Issura does not independently determine or guarantee the economic value of an underlying investment.

7. Compliance

Participation is subject to applicable investor eligibility requirements, KYC procedures and the relevant investor policy.

8. Transfer

The participation described in this demonstration document is designated as non-transferable.

Any actual transfer rights would be determined by the applicable legal agreements and governing law.

9. Issura Record

Issura may maintain:

- allocation information;
- investor information;
- transaction history;

- valuation information;
- supporting documents;
- document integrity references; and
- certificates relating to recorded positions.

10. Demonstration Status

This document is prepared for demonstration and testing of Issura's investment administration and evidence infrastructure.

It is not an offer to sell an investment, a solicitation of investors or a representation that the described pool currently exists on the stated terms.
