

ISSURA INVESTOR ALLOCATION AGREEMENT

Nordic Private Growth

Version 1.0
Demo / Test Document

1. Purpose

This Investor Allocation Agreement describes the recorded participation of an investor in Nordic Private Growth.

The pool is presented as a private-market investment structure focused on established and growing companies in the Nordic region.

This document is a demonstration document for the Issura platform and does not constitute a public offer, solicitation or commitment to accept an investment.

2. Investment Structure

Pool: Nordic Private Growth
Structure: Alternative Finance
Model: Bilateral SPV
Jurisdiction: Denmark
Indicative pool size: EUR 10,000,000

3. Investor Allocation

An investor may receive an allocation in accordance with the applicable investment agreement.

The Issura record may contain:

- investor identity;
- allocation amount;
- participation percentage;
- allocation date;
- capital additions or reductions;
- transaction history; and
- recorded valuation.

4. Position and Certificate

The investor's recorded allocation constitutes the investment position maintained within the administration system.

Issura may issue an investment certificate corresponding to the recorded position.

The certificate is intended as a portable representation of recorded investment information and its associated supporting documentation.

5. Supporting Documentation

The investment record may be linked to the relevant contractual and supporting documents.

Where applicable, Issura may maintain a cryptographic document hash for integrity verification.

The integrity reference confirms correspondence with the registered document version; it does not independently establish the validity of the underlying agreement.

6. Valuation

The value shown for an investor position is based on the latest recorded valuation information available for the relevant investment vehicle and the investor's recorded allocation.

Issura does not independently determine or guarantee the valuation of the underlying investment.

7. Compliance

Participation is subject to applicable investor eligibility requirements, KYC procedures and the relevant investor policy.

8. Transferability

For demonstration purposes, the participation is designated as non-transferable.

Any actual transfer rights would be determined by the governing legal agreements.

9. Administration

Issura may maintain the investment's:

- ownership/allocation information;
- capital movements;
- transaction history;
- valuation records;
- contractual documentation;
- document integrity references; and

- investment certificates.

10. Demonstration Status

This document is provided for demonstration and testing of Issura's investment administration and evidence infrastructure.

It does not constitute an investment offer, solicitation or legally binding commitment.
